20/20 Arousal

In today's sensory overloaded world, there are many stimulations. But for me... it's glasses. Eyeglasses. I think women with glasses are sexy as hell. Some guys go for big boobs and some go for big round asses. Some go for a well shaped leg, while some are hooked on long hair or a sexy voice. Some guys are foot fetishists and some are even attracted by a good personality. Me I'm a glasses guy. I'd rather fuck a plain, skinny, nondescript girl with an attractive pair of glasses than the most gorgeous, voluptuous, seductive female with 20/20 vision. Or even worse contacts.

Unfortunately, one problem I frequently encounter is the difficulty of getting a woman to wear her eyeglasses in bed. No matter how much I beg, plead and cajole, I find that most women resist the idea. They say they are afraid their glasses will damages or broken in the throes of passion.

Glasses, like girls come in all shapes, sizes and colors. Plain or fancy, round or square, wire-rimmed, horn-rimmed or with no rims at all, they are endlessly fascinating. And arousing. A well-crafted pair of glasses will give me a hard-on any time. And they invariably make their wearer an object of instant lust.

They are afraid that a man will be turned off by the sight of their bespectacled face while engaged in sexual congress. In my case, just the opposite is true. Far too often

I've found myself aroused and stimulated while making out with a woman, feeling the gentle touch of her glasses against my face as I kiss her sweet mouth, slowly stripping her of all her clothing until her spectacles are her only adornment; and then as we lie down together to culminate our passion, the lady will remove her glasses and set them aside.

Instantly I feel my passion dying, my hard-on diminishing, my lust turning to disappointment. No matter much her naked body turns me on, the sight of her naked face turns me off again. It is at that point that I plead with her to put her lovely spectacles back on; but nine times out of ten this request is met with puzzlement, resentment or even downright hostility, and the mood is fatally broken for both of us. So girls keep your glasses on for us men that adore them.

fore. But this morning we didn't have time, so I could only admire her round ass jiggle as she walked out of the room naked. After a few minutes I got out of bed as well. I pulled on my shirt and boxers anyway, and headed to the bathroom to use the toilet.

I heard the water of the shower pouring down as I approached the bathroom. I thought now I might get some action this morning after all. I opened the door and pulled down my boxers relieving my bladder of its pressure. After I finished, I pulled aside the shower curtain and climbed in. The water sprayed me in the face and I couldn't see for a second, but I heard a female gasp behind me. I turned around, wiping the water out of my eyes and opened them to see the dripping naked body of Moara's best friend, Kellie. I stared at her for a good five seconds before realizing what I was doing, and immediately averted my eyes.

"Wow, Kellie! I'm so, so sorry. I thought it was Moara in here."

I was cut off by a finger pressed to my lips, telling me to shush. Her gaze went down my body. I realized that her line of vision had stopped right at my cock, which was standing at full attention from being so close to this hot babe's naked body. Kellie took a step closer, and gave me a small kiss on the lips.

"I know you didn't mean to walk in on me Gary, but now that you're here, you could stay for a little bit, couldn't you?" she said softly.

I wasn't sure what to do. I loved Moara, but here was her hot best friend; naked, wet, and asking me to stay. I just looked at her. Kellie then wrapped her arms around my neck, kissing me more forcefully this time. I couldn't

help myself as I reached around and grabbed a handful of her firm, round butt cheek. Kellie pulled back from the kiss, a sly smirk on her face. I smiled back, giving her ass another squeeze. Then she dropped down to her knees, grabbed hold of my cock as she wrapped her hot, wet lips around it.

Once her tongue reached the base, she started slowly retracting her mouth, running it along the underside of my cock. As she sped up, she swirled her tongue over the head and jerking my cock with her hand. After several minutes of this, I was close to busting a load. I was about to tell her to stop but then she grabbed onto my ass and pulled my cock all the way down her throat. That's when I lost it and shot pearly strands of cum straight down her throat, which she swallowed heartily.

Now it's my turn, so I pull her up, lowered myself, and kissed her right on her pussy and flicked her clit with my tongue. I tongue fucked her for a few minutes, then shoved two fingers into her pussy as I sucked on her clit. I worked my fingers in and out of her until she was gasping again. I knew she was close, so I carefully positioned my fingers inside of her and began pressing on her g-spot as I continuously flicked her clit with my tongue. Kellie grabbed me by my wet hair and shoved my

Anita: If you don't get me a towel, my nipples are going to get even harder!

40+: *Promise?*

Anita: Seriously now, do it before I call a P.A. to get me a towel. You don't want me to catch cold, do you?

40+: *No, I don't want that responsibility. (I finally hand her a towel)*

Anita: Well, thank you. I knew you could do it. (I watch as she towels off her front and her legs) Would you be a dear and dry my back? And if you're nice, you can dry my butt, too.

40+: *Okay, but I'll do it under protest.*

Anita: Protest? What could you possibly protest?

face deeper into her pussy. Her wet, naked body tensed up, and she bit on her fist to stifle her moans as wave after wave of pleasure wracked through her.

I stood up and brushed her cheek. She was having trouble standing from her climax, but I held her up and looked into her eyes. Without a word, she turned around and bent over. She turned her head to look at me, and her eyes begged for me to fuck her. I stared at her marvelous, round ass for a moment. I smirked, and gave her a quick smack on her ass. I thanked her for the tryst and told her I have to go, but I'll meet her here again tomorrow morning. She slapped my ass as I stepped out of the warm shower.

A not-so-very married lady

Diane's a very married lady with long legs, great ass and even greater boobs. We work in the same office, on the same floor, in the same department. We got to talking and she said that she wasn't as happily married as she thought. One day, we were talking and I was complaining about my girlfriend and Diane suggested we have an affair since we were both unhappy. I was floored. Never did I imagine that I'd have a chance to sleep with a hot babe like her.

It's one day later and we went to "lunch" and parked outside my apartment. We went in and immediately started kissing and petting. She was wearing a little black dress and I pulled out one of her boobs and bit and sucked on it. Then I slipped hand under her skirt and a finger inside her neatly trimmed blonde pussy as she grabbed my cock. We stumbled over to the couch and started to French kiss. Then Di-

ane suddenly started undressing herself leaving only her thong panties on. I got naked, too. We started another wet kiss.

I wanted to fuck her and told her so. She said she wanted that too, so I laid her down roughly on the sofa and we got into a sixty-nine position. I started eating her pussy and playing with both of her holes. I just licked and licked until she came. And it felt great having my cock in her mouth as she moaned and groaned through her climax.

We got up and I spread her legs and lifted her ass in the air. I took my cock and slid it inside her moist pussy, telling her how beautiful she was and how much I'd wanted to fuck her. I started gently, but she wanted it harder! I rammed into her harder, telling her that I was going to fuck her as much as I wanted!

Next I laid her face down on the sofa and penetrated her again from the back this time. She kept telling me to fuck her harder which I did and she came hard, stifling her screams into the seat cushion. I felt me cumming too and I pulled out and shot rope after rope of hot sticky cum on her ass and back. We fucked a dozen more times during the year. Then her husband found out and we had to stop. But not for too long!

— Preston, Houston

Anita: Protest a naked woman standing here in front of you?

40+: Well, when you put it that way, I guess I don't have much, do I?

Anita: No, no, you don't. Now be a dear and hand me that red vibe, I have to get myself back on the set. Maybe if you stick around, I'll let you lick my vibrator clean.

40+: Yes, yes, Ms. Dark, I would really like that.

a bonus on my job

My name is Lemmy. That's short for Wilhemina. I'm currently in my 14th month of divorce. I work four days a week at a popular Italian restaurant. I love working there because of the tasty, delicious Italian food and I get big discounts on it because I'm an employee. The only thing I don't like is, well you guessed it, my boss, Sylvio. Why? Because he's bossy! A bit on the extreme side at times. Plus he's always poking his head into everyone's business when we're working, telling us we're not doing this right or that right, and I've been working here for a long time.

We all have to wear a white shirt with black pants, including him, but he's always got sauce stains on his shirts and on his black work pants every time I see him. Throughout the night, he'll push me harder than the rest of the crew. Or maybe it's just me that sees something that really isn't there? He always seemed to have something against me, like he didn't like me or something. Maybe he thinks I'm too snooty and could work harder, but I do work hard and he knows it! Maybe it's something against non-Italians working in an Italian restaurant. He's from Naples and has only been in the country for about six or seven years. Unfortunately he brought a lot of machismo with him and that

just doesn't fly here in America. Sometimes it seems he's nicer to the other servers than me. That's just what I sense, but I always go home thinking I'm wrong.

Tonight as I'm helping Vinnie, one of the bus boys, clear some tables, Sylvio comes strolling along with a pile of trays and towel he's been wiping tables down with, sets them right beside me, and continues to stand right there, purposely watching me do my work. Now I'm in a more antsy mood and aware of all the other customers around us. I knew he was going to say something critical. I mean, I've been working here for almost three years and he's never been this intense towards me before. But now all of a sudden he's like an eagle strategizing on how to capture its prey. So with all my nervousness, I accidentally drop one of the glasses and soda splashes on me... and him.

I'm trying to clean up the mess and he says he must speak to me after work. It's now a few minutes after closing time and all the other employees have gone. Sylvio came downstairs to the staff locker room to get me to come talk to him, about what? I don't know. I could here the steps of big black, size twelve men's shoes coming down the stairs 'Why couldn't he just

Sylvio can be a mean, over-bearing boss most of the time. Today, he convinced me that he can be a man, too!

forget about it?' I thought he'd forget – he forgets a lot of things. I was just about to take my soda-drenched work top off, then hurriedly putting it back on because he was just about to walk in, then I hear in his deep vice and thick Neopolitan accent "Lemmy dear, we need to talk."

But what he meant was he always had a hard on when around me. And when I could see it, it was practically protruding through his black pants.

"About what?" I respond, giving him a cold eye. "Let's go this way." He pointed with his finger to follow him up to his office. I walk a few feet behind him wondering what he wanted, what did I do, what's he gonna say to me? We were now in his office and he closed the door hard behind me and sat down on the edge of his desk. Before he could say anything, I jumped in and tried to defend myself. "I dropped some glasses, big deal, Syl..."

"Don't say anything yet." he said gently as he got up from the desk and walked closer and stood right in front of me. "Lemmy you're not in any trouble, dear."

Sylvio was about six foot, 45 years old or so, with salt and pepper hair, and he's actually pretty handsome if you overlook his bossiness. It felt like a giant standing over me as I'm only five-four. He walked behind me, first putting his hands on my shoulders, massaging them, and then leaning into my left ear, whispering... "You're always ready to defend yourself, so please take it easy, Lemmy."

Rather nervously I gulped and said "Sylvio, you don't need to be doing that." But he continued to do it, with more pressure and as much as I tried to get out his grip, it actually felt really good and relaxing after a long, busy day.

I tried to change the subject by saying that my shirt got dirty and I had to get going to wash it because it's the only one I had. I could feel his hands slowly move up my shirt as he was attempting to take off my soda stained white shirt, now massaging my neck. He whispered "Don't worry, I have another one that's just your size." I could hear him hissing in between each word, the sound made when licking your lips, then letting out minor sighs. I was now trying to deflect his intentions, I innocently asked "Sylvio, what do you think you're doing?" He then turned me around and said, "Lemmy, I know I've been a little hard on you, more than normal lately, and even more than the other employees, but that's because I can't help the way I feel about you."

WTF!!! In my head I was more than surprised.

All I could say was "Then why are you so mean to me? Why can't you just be nice?" He backed away a foot or so saying "If I acted the way I really feel about you when everyone was around, I'd be – uh – fired." But what he meant was he always had a hard on when around me. And when I could see it, it was practically protruding through his black pants. He began to slowly kiss me on the neck. I looked up and noticed the store cameras were off, windows covered, and it seemed like he was planning this for a pretty long time.

Then he paused and kindly asked me, realizing his actions "I'm sorry, I just couldn't help myself any more." Then he continued "So Lemmy, do you mind?"

I looked down, and was a little hesitant, almost ashamed, even feeling a little dirty, then I told him, "You know I have a boyfriend?"

Then he said "I know, please, no one will ever know, I promise."

Without fully saying yes, I let my eyes agree and then once again he pushed me up against the wall and began to unbutton my dirty shirt, tossing it to the side. He began kissing my neck and taking off his shirt and before I knew it, I was taking off his pants, undoing his belt, unzipping his pants (the sound of it turned me on), and seeing his cock pop out to the perpendicular. "Wow!!!" I gasped. "If you forgot, I wear size twelve shoes," he said jokingly. He then proceeded to pull off my pants and then pulled off my panties. With his cock now pointing at me, we both stopped and looked at each other in a daring 'thinking what I'm thinking?' kinda way. He then grabbed my full breasts as he smirked with excitement. I grabbed his large, throbbing thing and put it deep in my mouth.

My pink tongue worked the head and my hands pumped his shaft. I licked him from the base of his balls to the tip. My tongue found his pee-hole and pushed at its tiny opening enough for him to feel it. My hands were playing with his balls and my fingers scratched the area between his balls and his anus making him moan in pleasure. I pushed his cock against his belly and lowered my head, opened my mouth wide, and took in both balls into its moistness. I rolled my tongue around them for a while as I jerked his cock against his belly.

Sylvio picked me up, placed me on his desk, managed to put on a condom and then he entered me. I yelled out, bending my head back, with my hands around his torso, clenching his muscles. He was really into it, fucking me harder and harder. In-and-out in rapid motions. Then he moved his hips down further towards my neck kissing me there and proceeding lower and lower. I was now on my back on his desk and he positioned his head near my pussy and then spread my thighs apart.

He ran his hands over my mound before diving in with his tongue. He put both hands under my buttcheeks and lifted my hips up slightly to lick me better. I felt his long, wet tongue search out and then find my pink button. I moaned loudly. I mean I've had good

orgasms before, but nothing like this. His tongue was licking up and down as if my clit was an ice cream cone. Our passion created deep sweats, both of us dripping like icicles melting on rooftops. I yelled again as my body quivered from the intensity of my second orgasm and my eyes rolled back in my head. A long line of sweat was trickling down to my pussy area before he quickly caught it by licking it up towards my boobs.

Then Sylvio placed me up in a sitting position and grabbed my face and we began to kiss again. Then after gaining energy, he placed his dick deep inside of me. I moaned as he penetrated deeper and deeper into my tight love box. I could feel his big hands grab my ass and pull me harder onto his cock. Both of our eyes rolled back, sweat dripping, lips moist, rapid chest palpitations. Then I finally let out a loud shriek, cumming once again.

Suddenly he pushed hard into me, and with a few more rocket strokes, he pulled out and thrust his throbbing cock into my mouth. I grabbed his balls and milked him for all I could as he released his hot cum so deep into my throat that I had no choice but to swallow. Having spent himself good, he took a couple steps back and grabbed his shirt to dry himself off. My sweat did not matter, apparently. Nonetheless, I grabbed my clothes as he opened his door, he said, "Wash your shirt, Lemmy."

I moaned as he penetrated deeper and deeper into my tight love box. I could feel his big hands grab my ass and pull me harder onto his cock.
